Egg Tray E3810

PROFILE

Our packaging trays are made from moulded fibre. Based on recycled paper - fully renewable, environmentally safe and biodegradable resource.

Classic-style E3810 is a time-tested, guaranteed solutions for retail packing eggs.

Great breathability of the product. Good color visibility And at the same time reliable product protection.

A slightly rustic style makes the buyer feel that he is buying eggs not from a huge industrial factory, but straight from the country farmer.

And finally, but most importantly - Egg Tray E3810 is the best price/quality combination.
